Borough Council Vote for Two	Bruce D. BRESNAHAN	No Nomination Made			Write In
	Gregg OLIVERA	No Nomination Made			Write In

Public Question To Be Voted Upon		
County of Monmouth Open Space Question Should the County of Monmouth increase its dedication to the Monmouth County Open Space, Recreation, Floodplain Protection, and Farmland and Historic Preservation Trust Fund from the previously approved and implemented annual levy of 2.75 cents per \$100 of equalized valuation to 3.75 cents per \$100 of equalized valuation, pursuant to N.J.S.A. 40:12-15.2(e), with the annual levy to be used for any or all of the purposes set forth in N.J.S.A. 40:12-15.2(a)(1)? Explanatory Statement This proposition would approve an increase in the annual collection rate from 2.75 cents per \$100 of equalized valuation to 3.75 cents per \$100 of equalized valuation through which the County of Monmouth funds the Monmouth County Open Space Trust Fund. The Open Space Trust Fund supports the current program to acquire and preserve open space for County park and recreation areas, to conserve natural resources and to protect water quality, to develop and maintain the system of County public recreation, which includes those County lands acquired for recreation and conservation purposes, to acquire easements to preserve County farmland, and to participate in cooperative park and recreation projects with Monmouth County municipalities, thereby permanently preserving these areas, providing recreational opportunities, conserving natural resources and protecting water quality for future generations of Monmouth County residents. Increasing the rate will enable the funding for open space acquisition to keep pace with rising land costs and with the loss of land to development.		
	Yes	No

Borough of Manasquan		
Municipal Question - Open Space Shall the Borough Council of the Borough of Manasquan, County of Monmouth adopt an Ordinance amending the "Municipal Open Space, Recreation, Floodplain Protection, and Farmland and Historic Preservation Trust Fund" to increase the rate of the annual levy, from the current maximum of one-half (\$0.005) cents per ONE HUNDRED DOLLARS (\$100.00) of assessed valuation, to two and one-half (\$0.025) cents per ONE HUNDRED DOLLARS (\$100.00) of assessed valuation for the purposes of: (a) Acquisition of lands for recreation and conservation purposes; (b) Development of lands acquired for recreation and conservation purposes; (c) Maintenance of lands acquired for recreation and conservation purposes; (d) Historic preservation of historic properties, structures, facilities, site, area or objects and acquisition of such properties, structures, facilities, sites, areas or objects for historic preservation purposes; and (e) Payment of debt service on indebtedness issued or incurred by the Borough of Manasquan for any of these purposes; (f) Blue Acres Projects. Interpretive Statement A "yes" vote for this proposition means that you do want the Borough of Manasquan to take the necessary steps to amend the "Municipal Open Space, Recreation, Floodplain Protection, and Farmland and Historic Preservation Trust Fund" to increase the rate of the annual levy, from the current maximum of one-half (\$0.005) cents per ONE HUNDRED DOLLARS (\$100) of assessed valuation, to two and one-half (\$0.025) cents per ONE HUNDRED DOLLARS (\$100) of assessed valuation that shall be used to acquire lands for recreation and conservation purposes. The Trust Fund can also be used to develop or maintain lands that are acquired for recreation and conservation purposes or used for the acquisition or historic preservation of historic properties, structures, facilities, sites, areas or objects located within the Borough of Manasquan. The Trust Fund can also be used for Blue Acre Projects to acquire flood-prone properties. The Trust Fund can also be used to make payments on bonds issued for any of these purposes. If approved, the increase from the current maximum of one-half (\$0.005) cents per ONE HUNDRED DOLLARS (\$100) of assessed valuation, to two and one-half (\$0.025) cents per ONE HUNDRED DOLLARS (\$100) of assessed valuation will result in the annual increase of \$132.37 in the municipal portion of the real property taxes assessed on a home with an assessment of \$661,862.70, the Borough average assessment, and based upon the current total assessed valuations of property within the Borough, would raise approximately \$423,167.72 of additional funds annually for the "Municipal Open Space, Recreation, Floodplain Protection, and Farmland and Historic Preservation Trust Fund".		
	Yes	No
