Subject: General Election – November 8, 2022
One-Percent Manual Tally pursuant to California Elections Code section 15360

Voting System: Shasta County uses the Democracy Suite 5.10A voting system. All vote-by-mail (VBM) ballots were tallied by the Imagecast® Central (ICC) counting system, and polling place (PCT) ballots were tallied by the Imagecast® Evolution (ICE) counting system.

Thirteen precincts were randomly selected at 9:24 pm on November 8, 2022 by utilizing a random precinct draw for the single-precinct full-ballot count.

Manual tally for VBM and PCT ballots was started on November 15, 2022 and continued for a total of 8 days. The manual tally was conducted by two teams of four individuals, with supervision and oversight provided by the Assistant County Clerk/Registrar of Voters.

5535 ballot cards that contained 50 contests were examined.

- VBM/PCT – 1 precinct/full ballot
- VBM/PCT – 11 precincts/partial ballot (1-5 contests)
- AM – 1 precinct/full ballot

There were 2 variances found between the manual tally and the ICC/ICE tally. After review of the discrepancies, it was determined that both issues were caused by human error, the system tabulated as expected.

- One issue was caused by the voter marking the ballot incorrectly. The voter crossed out a selection, but also marked in the target area. The contest was a vote for 2, so both selections were tabulated by the machine, and only one selection was counted in the hand tally.
- On the second variance, a voter marked a write-in space, then listed a qualified candidate, and voted for the candidate, this caused the tabulator to identify the ballot as requiring adjudication. The ballot was not adjudicated correctly.

Subject: General Election – November 8, 2022 Risk-Limiting Audit Report

On November 29, 2022 a batch comparison Risk-Limiting Audit was commenced for the General Election. There were 18 batches with 3790 ballots and 1 contest audited during this process. The results of the audit are attached to this report.

The ballot manifest for the audit is posted on our website:

- <https://www.elections.co.shasta.ca.us/post-election-audits/>

The following contest was included in this audit:

- City of Redding, Measure A

A random seed generated for use in the software tool, was randomly selected by rolling 10-sided dice at 1:00 pm on November 29, 2022.

- 11542079713172276860

After entering the random seed information into the software, it was determined 18 batches would be audited for the selected contest.

The audit started at 1:30 pm on November 29, 2022 and continued until 4:30pm. This audit was performed by 18 total staff with a total of 54 working hours. The preparation for the audit was completed by 1 staff for a total of 10 working hours.

There were no variances found between the manual tally and the ICC/ICE tally.

The total number of observers present for the audit process was 0.

I do hereby attest that the Risk-Limiting Audit was conducted in accordance with Title 2, Division 7, Chapter 2 of the California Code of Regulations.

A handwritten signature in cursive script that reads "Cathy Darling Allen".

Redistricting and Precinct Boundary Changes

Election Codes § 21506-21

Every ten years, once the Census data is collected Counties must redraw the Supervisor district lines to rebalance the population. The lines are redrawn to ensure that each board member represents about the same number of constituents.

This process was completed in December 2021. New maps were adopted that significantly changed the boundaries of each supervisor district. When updating our precinct boundaries, we also renumbered every precinct. The following key will provide information on how to map the precinct to historical data.

Precinct Number Map						
0	1	2	0	3	9	0
0	Leading zero.					
	1	This number is the Supervisor District the where the precinct is located. (1-5)				
		2	This number describes the city where the precinct is located. 1 – City of Anderson 2 – City of Redding 3 – City of Shasta Lake 9 – Unincorporated Area			
			0	This is a reference for the historical precincts that had portions.		
¹ The last three digits are the historical precinct number.				3	9	0

¹ The precincts in the City of Shasta Lake, historically were four digits. (1000)
