**IMPORTANT INFORMATION REGARDING YOUR 2018 STATEMENT OF ECONOMIC INTERESTS FILING**

Dear Filer,

Your name has been submitted to the Will County Clerk's Office, by the unit(s) of local government which you are affiliated with, as being required to file a 2018 Statement of Economic Interests. In the past, these filings were completed by submission of the yellow paper forms that many of you have become familiar with. In 2018, our office has transitioned to an Online Filing System, replacing the need for the yellow paper forms.

To access this system and file your 2018 Statement of Economic Interests, please go to the following website:

<https://www.thewillcountyclerk.com/statements-of-economic-interests/>

Click the button labeled "File Your Statement Here" to be taken to the Online Filing System.

Click on "New User? CREATE ACCOUNT" – At this point you will be asked to provide your Filer ID and Registration Key.

Your Filer ID is:                      «FilerID»                      Your Registration Key is:                      «RegKey»

From there, the system will ask you to provide or confirm your e-mail address, create a new password for future access to the system, and verify information about yourself that was submitted by your affiliated unit(s) of government.  
*(Note: After registration, your Registration Key will no longer be valid and only the new password you created will allow you to log back in. Make sure to store your Filer ID and new Password in a secure location for future access to the system.)*

After verifying your account information, the system will allow you to submit your answers for each question on the Statement of Economic Interests. Once you have answered all of the questions you will be able to submit your Statement. A confirmation page will appear, which you can print for your records. You will also receive a receipt e-mailed to the address you provided when you registered your account.

The Illinois Governmental Ethics Act requires Will County elected officials, appointed officials, and certain local and county government employees to file a Statement of Economic Interests with the Clerk’s office each year. Units of Government certify the lists of those persons required to file Statements of Economic Interests. These individuals, known as filers, now file their information online.
